

Award Tracking Form

There are many scholarships and awards that you may be eligible for. Some of these awards/scholarships have specific criteria and sometimes Redwater staff has to choose recipients as there may be competition for them. As we have to make decisions we need to know about the types of activities you do within our school and within the community so that we can make fair choices. As this year progresses please track your involvement according to the format below and submit this form to Ms. Ballance by **May1**. You may not be considered for any awards if this form is not turned in.

Examples of criteria within the awards:

- Enrolled in Post Secondary Program within one year of graduation
- Scholarships – average of 80% or higher and must use English
- 30 credits in grade 12 year on timetable
- Volunteerism
- School Leadership
- **Positive Attitude**
- Hard Working
- Friendly
- Community Involvement
- Encourages other students
- Strong School Spirit

Rutherford Qualifications – Average of 75% or higher and English must be used.

Important Information:

- Listen to the announcements for deadlines.
- You are responsible for applying for your own awards unless specified.
- Some require teacher recommendations – give your teachers an appropriate amount of time to write a letter on your behalf.
- There are awards for music, art, athletics and community leadership as well as academics.
- One or two of the awards and bursaries only require an average above 65%.
- The following website lists all of the scholarships and bursaries available:
