Dear Parents/Guardians of **Redwater High School Students**:

Happy New Year! I trust that you are staying healthy through this cold weather!

With the announcement from the Minister of Education on the extension of Winter Break until January 10, 2022, students have missed five days of instruction. This is particularly difficult for high school students as their semester one courses are finished at the end of January. Alberta Education has also canceled all Diploma Exams due to this disruption in student learning.

To support all high school students in successfully completing their semester one courses, Redwater School is **canceled all scheduled high school final exams** and **increasing the number of days of classes to complete curricular outcomes.** The last day of regular classes for semester 1 will now be January 25, 2022.

Semester 2 will begin on February 1, 2022, as our regular calendar indicates.

Should you have any questions or concerns surrounding this, please reach out to your child's teachers or us here in the office.

Sincerely,

Kari Morgan
Principal
