

RENEGADE NEWS

Week of October 31 - November 4

A Message From Our Administration

October 28, 2022

It was excellent having conversations with all the families that attended our parent-teacher conferences! As always, should you have questions please contact your child's teachers. We are always here to help and do our best for the students.

Thanks to Parent Council for providing us a great meal on these nights! Much appreciated!

Halloween is on Monday! If your child is dressing up, please be sure masks are safe and costumes are school appropriate. (no weapons or replicas as well) Let's have a fun day!!

Absences: If your child is ill, we appreciate the communication to the school. We do need to report to AHS if the students are sick with a respiratory illness, so when you email or call, it is good if you indicate the type of illness. (we report numbers only if there is a large number of students away) Thanks so much for your cooperation in this.

Please join us on November 4, 2022 @ 10:30am for our Remembrance Day Assembly.

We are all looking forward to the fall break. Please be reminded that school is closed from November 7-11. We will resume regular classes on November 14!

Take Care Everyone!

Mrs. Morgan and Mrs. Tanouye

Redwater School Student Cell Phone Policy and Technology Use

Please remind your child that students in grades 5-9 are **not allowed to have their cell phone in class.** Students are able to use their phone during the lunch break. Appropriate online behavior is also expected at all times.

Please refer to the school handbook on pages 13 and 14 on Acceptable Use of Technology.

Redwater School is a BYOD School !

Redwater School is a BYOD school from grades 7-12. That means that we require students to bring their own devices from home.

A device brought for learning must meet the following requirements:

- Internet ready (chrome browser)
- Ability to type (full keyboard required)
- Battery life of a full school day (6 hours)
- Labelled for identification
- Google Apps for Education (GAFF) friendly
- Not a cellphone

Redwater School also offers a rental program for a monthly fee. If you are interested in this option please contact the office for more information.

You can also purchase one through the School Division. Email tech.purchasing@sturgeon.ab.ca

Words From The Wellness Hub

Wellness comprises of eight mutually co-dependence dimensions: emotional, physical, occupational, social, spiritual, intellectual, environmental, and financial. If any one of these dimensions is neglected over time, it will adversely affect one's health, well-being, and quality of life.

In November, we will be focusing on occupational wellness. Classroom presentations, lessons, and field trips will provide students with opportunities to prepare for and participate in work that will provide them personal satisfaction now and in the future.
