

RENEGADE NEWS

Week of December 19 - December 23

A Message From Our Administration

December 16th, 2022

Hello Renegade Families!

The last week of school before the break is upon us. Students and staff alike are looking forward to it. The next five days at school will continue to be filled with learning, and other fun activities school wide.

Thanks to our Leadership students and student council for this week's activities. Students enjoyed the bake sale as well as cooking decorating this afternoon. We admire your initiative and growing leadership skills! Well done!

GOTCHA! This week and next we are recognising all students who are getting caught doing something good! A staff member recognizes them and their name goes into a draw daily for some fun prizes!

Have a great weekend,

Mrs. Morgan & Mrs. Tanouye

Frost Exploding Tree Moon

December has arrived! A new month, and a new moon. This month's moon is called the frost exploding tree moon. This moon got its name from the process of the sap freezing in the trees. When the sap freezes it expands and causes the trees to crack. On a really cold night during this moon, if you listen carefully you can hear this cracking sound.

Traditionally as the weather is colder we spend more time indoors. This is a time to tell stories, pass on traditions, culture and spend time with those who are important to you. Do you have any family traditions or cultural practices you like to pass on during this season?

This month's challenge is to create a new tradition with your friends or family.

❄️ MERRY ❄️
CHRISTMAS
