

RENEGADE NEWS

Week of January 23 - January 27

A Message From Our Administration

January 20, 2023

The halls are quiet, high school exams are in full swing, the gym is busting with basketball games, the stage was full of song! It has been a great week!

Congratulations to the cast and crew of the musical theatre production under Mrs. Dowhaluk's brilliant direction. It was a great success and thank you to all families and staff members who attended the performances to support the students!

As we wrap up the semester, we are working hard at adjusting the schedules for the 2nd semester. We have had some staff changes mid year that may change student schedules. We will post the new schedule once finalized and inform you of any significant changes to your child's teachers.

Junior High will get their option selections soon for the second semester.

Have a great weekend!

Mrs. Morgan and Mrs. Tanouye

Attendance Reporting

It is important to continue to report your child's absence in the following ways:

1. Email redwater@sturgeon.ab.ca
2. Phone **780-942-3625**. You can leave a message or call during school hours.

Important Note: Please DO NOT TEXT staff members about your child's absence to their personal phone numbers. ONLY use the email or phone stated above.

Thank you for your cooperation and understanding.

Language Check!

Words are powerful and leave an impression!

In the hallways and out at recess, we are hearing students swearing, making inappropriate and negative comments about gender, sexuality, and race. All of our staff intervene and call this out when we hear it. We need your help with this from home. Please have a conversation with your child about the importance of using good language all the time, as it leaves a good impression of themselves and shows that they can treat others with respect in any environment.

This is another part of working together to have a safe and caring environment for everyone, students and staff alike!

Words From The Wellness Hub

Bell Let's Talk Day is **Wednesday, January 25.**

Redwater School is joining in and committing to take meaningful action to create positive change

Together we have taken big steps to reduce the stigma around mental health issues, inspire one another to take action, and help create a Canada where everyone can access the mental health support they need. But it is clear more needs to be done. #BellLetsTalk

On the 25th, Redwater School will create meaningful change and take action by:

- Nurturing student well-being with mindful practices in the wellness hub.
- Continue conversations that acknowledge and educate students to fight the stigma surrounding mental health
