A Message From Our Administration

February 8th, 2023

Hello Renegade Parents/Guardians:

We have been so excited starting our week looking at the Grandfather teaching of Respect this month. In preparation for “Random Act of Kindness Week”, students had an opportunity to reflect with their peers and create a beautiful display of what respect looks like using words and images.

Look out for the great opportunities coming up these next couple of weeks. Take some time to review our calendar and check out our new school store options.

A reminder to parents to keep an eye out for some further communication regarding two important surveys. We value your feedback and appreciate your impact on what is going well in our school and how we can work to continue to support the success of your child.

Best Regards,

Our Administration Team

Words From The Wellness Hub

It's Pink Shirt Day on Wednesday,
February 22nd.

The 2023 Pink Shirt Day design was inspired by moments of kindness, empathy and understanding that can mean so much to children impacted by bullying. For bullied kids, it can be hard to know where to turn. But a helping and supportive hand can make a world of difference!

We encourage everyone to wear a pink shirt or another piece of pink clothing on Wednesday.

Grandfather Teachings (For February)

This month, we shift our focus to the teaching of **respect**. We talk about respect a lot in schools. But respect as a value begins with respecting ourselves - believing that we are worth growing, learning and taking care of ourselves.

In the seven grandfather teachings, the buffalo teaches us respect. The Cree and Ojibwe and other First Nations depended on the buffalo, and used every part of the animal for all the necessities of life. When we respect ourselves, make healthy choices, and set appropriate boundaries, we can live in good relationships with everyone and everything around us.
