

RENEGADE NEWS

Week of February 20 - February 24

A Message From Our Administration

February 17th, 2023

Hello Renegade Parents/Guardians:

This week was a busy week of learning and getting to know each other. Semester two is in full swing and our classrooms are filled with a strong demonstrations of learning at its best. From brain models, black out poetry, story writing and so much more! Ask your child what their favorite thing they learn this week was?

Our new Administration team had the opportunity to meet with all students in small grade assemblies. Here we introduced ourselves and reviewed how we can continue to meet our #1 priority as a school: to create a safe and caring learning environment that is inclusive to everyone so we can learn and be the best we can be.

We had a group discussion and reflection on:

- What it looks like to be respectful?
- How we should interact with our peers and the adults in our building?
- How we can demonstrate respect for our facility?

Students shared their voice through the completion of the OurSCHOOL survey this week. Next week the grade 7 and 10 students will be asked to complete the Assurance Survey. Parents watch out for this survey as we value your feedback as well!

If you haven't registered your child for next year please do so, registration is now open.

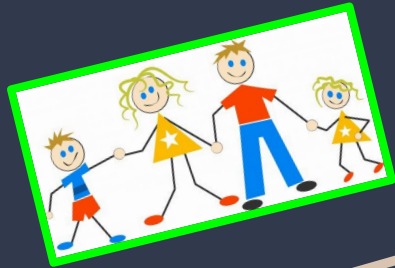

Hope you all have a wonderful Family Day weekend,

Our Administration Team

Shannon Requa Cheryl Tanouye Kevin Dorosh

Acting Principal Vice Principal Acting Vice Principal

2023 - 2024 Redwater School Registration

REGISTER NOW

Registration for the 2023-2024 school year is now open. Please log onto your parent portal account and complete the registration for each child, even if your child is a returning student. If you require assistance or a password reset for your parent portal account, please call the office @ 780-942-3625.

Words From The Wellness Hub

It's Pink Shirt Day on Wednesday,
February 22nd.

The 2023 Pink Shirt Day design was inspired by moments of kindness, empathy and understanding that can mean so much to children impacted by bullying. For bullied kids, it can be hard to know where to turn. But a helping and supportive hand can make a world of difference!

We encourage everyone to wear a pink shirt or another piece of pink clothing on Wednesday.

A Message From Our Student Council

**The dodgeball league has
started up again. Let the
fun begin!**

Grandfather Teachings (For February)

This month, we shift our focus to the teaching of **respect**. We talk about respect a lot in schools. But respect as a value begins with respecting ourselves - believing that we are worth growing, learning and taking care of ourselves. In the seven grandfather teachings, the buffalo teaches us respect. The Cree and Ojibwe and other First Nations depended on the buffalo, and used every part of the animal for all the necessities of life. When we respect ourselves, make healthy choices, and set appropriate boundaries, we can live in good relationships with everyone and everything around us.

We are excited to announce that for the very first time, our High Schools are offering students the opportunity to take an Advanced Welding Course through the Northern Alberta Institute of Technology (NAIT).

This course is available to students at:

- Sturgeon Composite High School**
- Redwater School**
- Morinville and Sturgeon Learning Centres**

To learn more about the program, head to:

**Our Grad class
hosted a fun and
exciting school
dance for our
elementary class**

**Student council has been
giving students the
opportunity to share
kindness and respect
through a small surprise
treat!**

**Thumbs up to being kind to
others!**

Our biology 30 students are learning about the central nervous system this week. They completed a brain dissection yesterday and designed brain helmets to reflect the four lobes of the cerebrum.

Our Jr. Leadership class have been working hard at finding projects that make a difference! Just another great act of kindness!
