

RENEGADE NEWS

Week of May 15 - May 19

A Message From Our Administration

Hello Renegades!

This week was fantastic week with many students enjoying the beautiful, and extra warm, May weather!

Since the weather is getting so nice out, we would invite any parent volunteers to help play and supervise our students during recess time! Structured games are an excellent way for students to learn new skills and work on cooperation and sportsmanship. If you have the time and availability, (along with the volunteer security checks), we would love to have you come and volunteer in our building and during recess times!

If you have any questions, please reach out to the team at Redwater School.

Thank you and have a wonderful weekend!

Sincerely,

Ms. Filgate, Principal

2023 - 2024 Redwater School Registration

REGISTER NOW

Registration for the 2023-2024 school year is now open. Please log onto your parent portal account and complete the registration for each child, even if your child is a returning student. If you require assistance or a password reset for your parent portal account, please call the office @ 780-942-3625.

Grandfather Teachings (For May)

This month's Grandfather teaching is the teaching of **Courage**

The Bear teaches us courage. But Courage isn't just about facing up to bullies. It's about fighting the really hard battles - the ones inside. It takes courage to face painful memories and past hurts. It takes courage to seek the help we need to deal with our pain and hurt feelings. And it takes courage to use our pain to protect others from facing the same hurts.

This month, we are practicing courage, for each other and ourselves.

New Moon Information

It's May, and it's a new Moon in the Cree Calendar.

Because there are 13 lunar cycles in a solar year, there is a thirteenth "moon" that inserts itself into the year depending on what happens on the land. That thirteenth moon arrives at a different time each year, but some Elders in our area suggest that last month was actually a "Trickster Moon" or "Coyote Moon".

Last month we learned about ayîkipîsim (ay-EE-kee PEE-sim), the "Frog Moon". This month we are entering is sâkipakâwipîsim (SAH-gee-puh-guh-WEE PEE-sim), the "Leaf-Budding Moon." We're all looking forward to seeing more green around us soon. Happy May, and happy sâkipakâwipîsim! Hiy Hiy!

Words From The Wellness Hub

Five sense scavenger hunt

Most kids love a scavenger hunt, and this one is specifically designed to encourage mindfulness by engaging all the senses.

All you need to do is find a safe space outside for exploration. Here are the steps for kids to follow:

1. **Listen.** Name one thing that you hear when you listen with your ears.
2. **Look.** Name one thing that catches your attention when you look around.
3. **Smell.** Name a scent that you notice when you take a sniff with your nose.
4. **Touch.** Name an object that you enjoy feeling with your hands.

If you want to add in the sense of taste, simply supply a few kid-friendly snacks during the scavenger hunt.

EVERY FRIDAY**

Fun Family Literacy Activities

Literacy In The Kitchen

The kitchen is a great place to enhance literacy as the space draws us together for meals, conversations, food preparation, and much more. Getting your child to read and think critically to make informed decisions is an important life skill, and the kitchen offers numerous opportunities. Here are some things you can do:

- Have your child find a recipe and read it to you as you cook.
- Spend time together planning meals, finding recipes, and researching nutrition and health benefits of foods.
- Using the Internet to read about different types of cultural celebrations and traditional foods.

**Please Join us to view
our High School Art
students work in the Jr.
category. Reach out to
Ms. Tanouye or
Miss Dirks for volunteer
opportunities.**

**Congratulations to our
Renegades that participated in
Lloydminster at the ASAA
Badminton Provincials
last weekend.
Ryan and Janesa won Bronze
in their Division. Way to go!**

Wacky Trent did a presentation called Books! Read and Believe. It incorporated magic and the importance of reading.

This presentation has been generously funded by the Friends of the Redwater Public Library Society.
