

RENEGADE NEWS

Week of June 26 - June 30

A Message From Our Administration

With junior high and senior high students writing exams and elementary students wrapping up the year it has been a quiet week at Redwater School. Congratulations to those students who have completed all of their exams. Good luck to those who still have an exam or two to complete next week.

Next week our elementary students will be wrapping things up with a couple more afternoons of fun swimming at the Redwater Pool.

We wish everyone a very restful and enjoyable summer!

Mr. Kevin Dorosh
Vice Principal
