

RENEGADE NEWS

Week of September 11-15

A Message From Our Administration

Dear student, parents and/or guardians.

The first full week back to school is already over! Students and teachers are working hard together on routines and class expectations, while students finalized options and term 1 courses.

On Thursday, Redwater staff joined Ochre Park staff for the Meet the Community night! What a fantastic way to meet the community and for teachers to meet our student's families. It was great to see so many people and we look forward to participating in this event again next year.

Next week we have a few events we wanted to highlight: Picture Day and the Terry Fox run!

On Thursday, September 14th, we will be holding our school's annual Picture Day! Professional photographers from Lifetouch will be on site to capture your child picture for this school year. Please make sure your child comes that day dressed their best and ready to shine for the camera. Detailed ordering form information will be sent directly from Lifetouch.

On Friday, students will have the opportunity to enjoy a pancake breakfast before everyone heads out for the annual Terry Fox run in the afternoon. Both Ochre Park and Redwater School will be participating in this event together. Terry Fox's legacy of perseverance and determination, inspires us all. Events like these create lasting memories and foster a sense of community within our school and greater community.

Newsletters will be sent out this year, on a bi-weekly schedule. Should you have any questions regarding information in this newsletter, please contact the school.

Have a wonderful couple of weeks!

Sincerely,

Christy Filgate, Principal

What is happening next week... September 11 - 15

Monday, September 11th / Day 1

-

Tuesday, September 12th / Day 2
